Debbie Horsfield : Poldark: The Complete Scripts: Series 2 before purchasing it in order to gage whether or not it would be worth my time, and all praised Poldark: The Complete Scripts: Series 2:

1 of 1 people found the following review helpful. this was an excellent read as a companion to viewing the TV episodesBy CustomerAs with the first season scripts, this was an excellent read as a companion to viewing the TV episodes. I noted a few changes were made from script to final edited version that was shown, but these changes were all perfectly understandable and acceptable.0 of 0 people found the following review helpful. Excellnt!By

pollyeExcellent! I love reading the scripts and comparing them to the original book and also to the video. I love to see how they make it all work. 1 of 1 people found the following review helpful. Wonderful companion for Poldark superfans
By Online shopgallIf you are a big fan of the series you will love the scripts. Unlike what they did for Season 1, Season 2 gives the final shooting scripts, but not the final edited version seen on TV, so you get a lot of insight into changes that were made, scenes cut or moved around.

The first series of the new television adaptation of Winston Graham's beloved Poldark novels was a sensational success. Based on the first two novels, *Ross Poldark* and *Demelza*, the series follows Ross as he returns to his land and his family after serving in the American War of Independence. The joyful homecoming he has anticipated turns sour, for his father is dead, his estate is derelict and the girl he loves is engaged to his cousin. But his sympathy for the destitute miners and farmers of the district leads him to rescue a half-starved urchin girl from a fairground brawl and take her home an act which alters the whole course of his life, and hers: Demelza Carne becomes his wife. The events that then unfold will test their marriage and their love to the limit.

About the AuthorDebbie Horsfield is an English theatre and television writer. Best known for writing *Sex, Chips Rock 'n' Roll* and *Cutting It* for the BBC, she has twice won a BAFTA for Best Drama Series.
