**Douglas Fir : Poop Log: A Journal For Your Turds** before purchasing it in order to gage whether or not it would be worth my time, and all praised Poop Log: A Journal For Your Turds:

Defecation is truly one of lifes greatest pleasures. Up until now, keeping track of the ins and out of your brown beefy logs was a hit or miss affair. Now, when you throw down some brown, you can keep track of all of the intimate details. This poop log was created by Douglas Uncle Dougie Fir, one of the world's most eminent experts in shitting. No longer will the most important details of your turds elude you. To many great craps!

About the AuthorDouglas "Uncle Dougie" Fir is arguably the world's leading expert on fecal texture and odor. Having spent many carnivals trapped in the outhouse behind the corn-dog stand, he has first-hand knowledge of the importance of tracking one's output. Previous works by Uncle Dougie include Poophemisms, My Cat is an Asshole,

And Faptionary. Harvard educated, well he once got a hammered in Harvard Yard, Dougie's your guy when it comes to all things crap.
