**Jillian Dodd : Power (The Keatyn Chronicles) (Volume 9)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Power (The Keatyn Chronicles) (Volume 9):

I didn't love this one as much as I did the othersBy Sonya ByrdI didn't love this one as much as I did the others, but it was still equally entertaining. I love that now the little novella series is in a complete book format. They still end on cliffhangers and they still have the over dramatic Melrose Place/90210 feel to them. I guess I read them out of order, I started with the Captive Film books, completely missing out on The Keatyn Chronicles.Looking forward to starting over and continuing on, seeing where Keatyn and the gang

ends up. I see lots of wedding bells, babies, and drama in the future. 0 of 0 people found the following review helpful. cant wait for the next one. By Kristi Hulsey I've read all these books so far and they have been 5 stars. This one however was a bit different. I didn't like it as much as I usually do. It's not as action packed as the others. I still like all the characters. But they usually have more going on than they did. It's still a good story. Just not as good as the others. The characters are getting older and some are more successful than others. Kind of unrealistic but in some ways it's completely realistic. I like it just not love it. The cliffhanger to this story was kind of predictable. But it was still a little surprised. I can't wait to read about the wedding, the nostalgic from the characters. More babies and more drama. Overall it was really enjoyable. I can't wait to see what Jillian does next with these characters. 0 of 0 people found the following review helpful. Love Jillian Dodd By Soledad Vazquez I love the Keatyn Chronicles. I don't love Captive Films as much, but I do love the way this author tells a story, so undoubtedly I want to read all that I can. What I like about this book is that I read it all at once, not in the "series" format that it originally came out, I had done that in the first one and I found that it really slowed down the pace. SPOILER: I liked having Gracie's POV. I do hope that the triplets come into play more in the future. I also liked that some characters saw that they shouldn't jump to stupid conclusions: they are not teenagers, it does sound kind of silly when they try to act like that. But maybe this is because I am too old for these books. I want a little bit of Tommy and Abby, an update on Peyton and Damian and, as always more Aiden! And I hope Jennifer gets her love! Some of the story was a little bit predictable, but it was a lot of fun. I will keep on reading!

From USA Today bestselling author Jillian Dodd comes the ninth book in the addictive Keatyn Chronicles series. Discover a breathless fairy-tale romance with swoon-worthy characters set in a glittering celebrity world. Fans of reality TV will devour this pulse-pounding, sexy Hollywood drama. Follow the lives and loves of those who work at Captive Films: Riley Johnson -- Captive Films' CEO and millionaire playboy is hot, privileged, and seriously single. He's got it all--a brand new jet, exotic cars, a luxury penthouse, and a different aspiring actress (or two) in his bed every night. His life is perfect until the only girl he ever loved walks back into it, causing him to wonder if he truly has it all. Keatyn Douglas -- Hollywood's sweetheart and owner of Captive Films leads a chaotic, glamorous life. But running a successful film studio, writing scripts, and her own acting career leave little time for the things she dreams of, like marrying the man she loves and having babies. When drama starts at work, she may decide to give it all up for life out of the fast lane. Dawson Johnson -- The dark and dreamy marketing consultant joins Captive to escape his past. For the last two years, his sole focus has been on caring for his adorable daughters after tragedy struck their lives. He comes to Captive looking for a fresh start and, if all goes well, he might find a lot more than that in Hollywood. Knox Daniels -- Considered the sexiest man alive by a certain magazine, the sentiment is echoed by the actor's adoring fans. While romance abounds in the roles he plays, he's convinced he'll never find his own happily ever after--until he meets a woman who just might change that. Shelby Benson -- The beautiful cocktail waitress and wanna-be actress struggles to make ends meet. A chance encounter with Riley Johnson is her lucky break and the golden ticket to everything she's ever dreamed of--fame, power, money, sex, and love. Written soap-opera style with multiple points of view, you can expect lots of drama, sex, and tabloid-worthy events.

Praise for The Keatyn Chronicles series: "With laugh out loud moments and swoon-worthy guys, The Keatyn Chronicles is a fun, sexy, and addictive series that you won't be able to put down and will never want to end." -NYT and USA Today Bestselling Author, J. Sterling. "I'm convinced no one can write hot boys like Jillian Dodd." -Late Bloomer Online "Get ready to go back to the days of drama, crushes, wild parties, crazy hookups, and popularity contests." -Reading, Eating Dreaming "Holy hot boys, Batman! This book is what I like to think of as the mecca of gorgeous men. Keatyn's journey from Hollywood debutante to boarding school is fraught with lots of trials but the biggest of those is the boys." -I Love YA Fiction "This story should come with a warning...." "You will require an ice box or a fan whilst reading." -Totally Booked It's a story that's fun and fresh, sexy and steamy. It's dangerously addictive. - Mollie Harper, Tough Critic Books.
