**Madeleine George : Precious Little** before purchasing it in order to gage whether or not it would be worth my time, and all praised Precious Little:

0 of 0 people found the following review helpful. If you want wit and smart writing, it is hereBy CustomerIf you want wit and smart writing, it is here. Problem is that it's so narrowly-focused. I do not care to read yet another play about

the tiny world of academia. Well-written, just not my thing.

Brodie, a gifted linguist, learns unsettling news about the baby she carries. Unable to get comfort from her girlfriend, she finds it in the two least likely sources imaginable: the elderly speaker of a vanishing language...and a gorilla at the zoo. Madeleine George's irreverent and charming new play reveals the beauty and the limits of human language.
