Mick Wall : Prince: Purple Reign before purchasing it in order to gage whether or not it would be worth my time, and all praised Prince: Purple Reign:

8 of 8 people found the following review helpful. For Prince loversBy robyn tialaveaMost details of any Prince book I've read, which are a few. Writer is no fan of Prince, but you get a lot of unbiased info.2 of 2 people found the following review helpful. Very informative great readBy mellodeesmomLoved it, author gave a very well written unbiass portrait of this amazing artist. If you are looking for a tell all book that focuses on only the private day by day

account of Prince, you probably won't be fulfilled. This book does however mentioned private personal moments with him told by others according to their recollections. If you are more interested in his career, talent, and genius this is the book to read in my opinion. As a avid admirer of his talent and music, this book was extremely satisfying. Will definitely purchase the actual book to add to my home library, since I only purchased it for Kindle. There are many Kings however, there was only one Prince!!!0 of 0 people found the following review helpful. Incredibly insightful. Fair and honest.By Geoff SchullerThis book is very well-written and is delivered in a fair and balanced manner. Mick is clearly a fan, but never let's that compromise his historical description of Prince, throughout the many phases of his career. I learned so many things I hadn't known about Prince...and I knew a lot, even before I read this. Thanks to Nick for the unvarnished account of the man and his music. Highly recommended, especially if you already think you knew a lot about Prince.

Prince was an icon. A man who defined an era of music and changed the shape of popular culture forever. There is no doubt that he was one of the most talented and influential artists of all time, and also one of the most mysterious. On 21st April 2016 the world lost its Prince; it was the day the music died.This book will open a door to Prince's world like never before - from his traumatic childhood and demonic pursuit of music as a means of escape, to his rise to superstardom, professional rivalries and marriages shrouded in tragedy, internationally bestselling music writer Mick Wall explores the historical, cultural and personal backdrop that gave rise to an artist the likes of which the world has never seen - and never will again.Mick, a lifelong Prince fan, was one of the first UK journalists to ever write about this enigmatic star, and it was his story that put Prince on the cover of Kerrang magazine in 1984 and inspired the biggest mailbag of letters the magazine has ever had. As Prince sang in '7', 'no one in the whole universe will ever compare', and this book is a shining tribute to the forever incomparable Prince.

About the AuthorMick Wall is the UK's best-known rock writer, author and TV and radio programme maker, and is the author of numerous critically-acclaimed books, including definitive, bestselling titles on Led Zeppelin (When Giants Walked the Earth), Metallica (Enter Night), AC/DC (Hell Ain't a Bad Place To Be), Black Sabbath (Symptom of the Universe), Lou Reed, The Doors (Love Becomes a Funeral Pyre) and Foo Fighters. He lives in England.<http://www.mickwall.com/home.htm><http://www.mickwall.com/blog/blog.php><https://twitter.com/WallMick>
