3 of 3 people found the following review helpful. great!By Matthis book is a great learning tool for anyone who is interested in becoming a producer. it takes you step-by-step through the producers job. the best part about it: it talks about the lovely 1/8 page rule, AND clarifies it. I have used that part over and over as I teach others how to produce.1 of 1 people found the following review helpful. Great resourceBy savannahI've researched many books on film

production and I'm thrilled I chose Producer to Producer. It's a great resource and covers every aspect of production with detail and experience.0 of 0 people found the following review helpful. Must ReadBy Tim HeathIf you want to be a Producer, this is a must read. I own a production company and will hand this to each new employee.
