and Abroad:

PROFESSOR BIRDSONG ZANY BUT ALL TRUE CRIMINAL LAW STORIES, VOL. 4: STORIES FROM ROUND THE STATES AND ABROAD. This time the professor uses his expertise and experience in criminal law to bring forth 350 more of the funniest criminal law stories from around the United States and abroad. This book covers just about every silly kind of unlawful conduct one could imagine. Full of his witty Birdsong commentary the book is sure to deliver some great laughs. There's a story about the small New Mexico town with two police officers where neither of them can carry a gun because of their own legal problems; a story of the teen who could not turn in his homework because he left his hard drive in the backyard of the home he had burglarized; there is a story of the Texas man arrested for riding his unicycle naked; there's a drunken dummy or two; also there's the story about a Florida man released from jail who gets arrested within 16 minutes of his release and a wide variety of just plain, stupid criminals that make this anthology worth reading.
