Quentin Tarantino : Pulp Fiction before purchasing it in order to gage whether or not it would be worth my time, and all praised Pulp Fiction:

1 of 1 people found the following review helpful. ClassicBy Nadja Zillkenthe wonderful thing about reading the screenplay for such a famous movie is to see how things/personalities/etc. got adapted. you can let your own

imagination play and still compare it to what is produced by another artist... i love the film, i love the screen play. it's one of the greatest stories told about survival in a world full with coincidences and power relations that are far from linear... brilliant =>1 of 1 people found the following review helpful. Win.By Jack B.The price was right and the product was great. It's fun reading how Tarantino sets up a scene with his description. I actually read the script before I watched the movie and it made it so much more entertaining. If you're also someone who's into screenwriting as a hobby or profession, it's worth checking out how Tarantino does it.0 of 0 people found the following review helpful. One of a KindBy Jamie WalzelDeveloped and unique screenplay for any lover of film. Would make an excellent script for film study.

Pulp Fiction is a trio of stories rotating around the violent misadventures of a collection of outlaws right out of the pages of the old hardboiled pulp fiction. The interweaving of the characters and stories is masterly; the trajectory of the characters' lives drawn with great generosity of spirit. Quentin Tarantino belongs to the new generation of super-literate film-makers whose work is as much about the movies they admire as anything else. But what makes Tarantino unique among his contemporaries is the visceral character of his writing and an exuberant wit and elegant style that makes his scripts compellingly readable.

About the AuthorQuentin Tarantino is a film director, screenwriter, producer, and actor known for his hugely popular films Pulp Fiction, Django Unchained, Kill Bill, and Reservoir Dogs, among others. Tarantino's films have garnered both critical and commercial success. He has received many industry awards, including two Academy Awards, two Golden Globe Awards, two BAFTA Awards and the Palme d'Or, and has been nominated for an Emmy and a Grammy.
