Steve Robinson : Pushing up the internet daisy before purchasing it in order to gage whether or not it would be worth my time, and all praised Pushing up the internet daisy:

A fun collection of short internet stories. created for the geek out there who wants to know everything.

An easy-reading book with megatons of humor and can be described as "one big jello mold of satire. -- Book review Marty Nickison Thu 12 Jan Rarely does it come off well and rarely is it genuinely original. This managed to be funny and original. -- Book review Ron Miller Wed 28 Dec The world needs more humor! Thank you for such a delightfully British flavored piece! -- Book review Nix Winter sun 22 nd January From the Publisher This book is a Smilieland TV production. From the Author This is the first book to be released by me and I hope everyone will enjoy it as much I did putting it together.
