**Scott Kurtz : PvP: The Dork Ages** before purchasing it in order to gauge whether or not it would be worth my time, and all praised PvP: The Dork Ages:

Collecting the hard-to-find six-issue run of PvP originally published by Dork Storm Press for the first time. This trade paperback includes over ten pages of dorky extras, including preliminary artwork and gaming stats to play the PvP

characters in your Mutants and Masterminds d20 campaigns (from Green Ronin Publishing).
