Andy Evans : (R)evolutionary Improv: The History of Stand-Up Comedy The Nation's Capital as Its Birthplace before purchasing it in order to gage whether or not it would be worth my time, and all praised (R)evolutionary Improv: The History of Stand-Up Comedy The Nation's Capital as Its Birthplace:

0 of 0 people found the following review helpful. Four StarsBy laurence covingtonA pretty decent history of DC comedy!!0 of 0 people found the following review helpful. The Story TellerBy DucemanI have not had a chance to

read or review. I took a Deep Breath ! Andy is talking about my City. And Being Recognized By The Comics that took the DMV area to Hollywood and Beyond. The City of Legends. Andy Evans my Friend will tell it like it is. Check it out. Give a brother a Chance to make you Laugh and Dance Don't forget. Take a Deep Breath. Love you Man0 of 2 people found the following review helpful. boringBy Customerit was not anything different from what has already been written

Stand-up Comedy has always been at the heart of improvisation and a means through which true comic talent was tested. Andy Evans, known as the Comedy Counselor explores the history of stand-up and its origins in Washington, D.C.

About the AuthorAndy Evans, a former Vietnam veteran and educator-turned comedian, has used comedy as a way diminishing anxiety and tension with his book "Take a Deep Breath the Comedy Counselors Guide to Stress Relief." A former comedy club owner, Evans mentored such noted D.C. comics as David Chappelle, Martin Lawrence, Wanda Sykes, and Tommy Davidson.
