**Radio Times Team : Radio Times Guide to Films 2017** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Radio Times Guide to Films 2017:

A cinephile's dream, this guide contains no fewer than 24,039 authoritative, opinionated and readable reviews, ranging from Abbas Kiarostami's *ABC Africa* (2001) to Douglas Hickox's *Zulu Dawn* (1979), complete with credits, star rating, BBFC rating and availability on DVD or Blu-ray. Well-thought-out extras include a chronological list of the

winners of major awards at the BAFTAs, Berlin, Cannes, the Golden Globes and the Oscars; 200 pages of actor and director filmographies; and a list of four- and five-star films organized by genre.
