**David Allen Rigsby : Revelations, Alpha and Omega** before purchasing it in order to gage whether or not it would be worth my time, and all praised Revelations, Alpha and Omega:

2 of 2 people found the following review helpful. Thought Provoking!By JReidI found this book to be highly stimulating and intensely intriguing. The author has done his research and made multiple associations and connections historically that present a valid argument. I feel that this book could be an amazing movie that keeps the audience

hanging on for more. It is written in such a way that one can connect many beliefs or backgrounds into a central theme. Mythologically intertwining the history of WWII with religious belief systems allow for the reader to be introduced to rationales that empower historical movements from a psychological level. I would recommend this book to everyone. I only hope that one day this book will be produced into a movie. It has great potential for a sci-fi thriller. I hope that the potential is something that does not go unnoticed.

0 of 0 people found the following review helpful. This book is the best Christian Fiction I've ever read!!!

By A Customer I've read this book and I've got to admit, it is very interesting. I'm not sure I agree with everything that the author claims to be the truth about mankind's past as it relates to the Bible, but he makes some very good arguments and those arguments are very well supported, especially in the Conclusion Section. I can't for the life of me, figure out why anyone would only give this book only one star! It's a great story and very well told. Even the author himself closes his own story by telling readers that he's only steering them in the direction of self-discovery and that to learn the rest of the truth to go and read the Bible or God's Word. In terms of ambition and scope, Revelations reminds me of early epic poems of Homer and Satyricon. Its episodic nature works quite well and I was caught up in every single story, from the story of creation, Satan's race of giants to the finale at Armageddon. The way the author tied modern-day circumstances with Bible prophecy is simply remarkable and frightening. His writing style is very cinematic in quality, with wonderfully descriptive passages. I loved the way he combined elements of science fiction, spirituality and even the Roswell story. It was very post-modern in tone. In conclusion, the story was great, ambitious, grand (and grandly entertaining), whirl-wind tour of the eternal battle between Satan and God. What an imagination! Five Stars!

10 of 11 people found the following review helpful. This is the best end-time Christian novel I've read! Period.

By A Customer I've read this book and I've got to admit, it's very interesting. I'm not sure that I agree with everything the author claims to be the truth about mankind's past as it relates to the Bible, but he makes some very good arguments and they're very well supported. "I will open my mouth in a parable, I will utter dark sayings of old, which we have heard and known and our fathers have told us. We will not hide them from our children..." Psalm 78:2-4

The truth is here. com presents Revelations, Alpha and Omega. In its opening scene, the narrator promises "Stories, myths, and legends. I'll show you where they all began. And more importantly, how they end." In fulfilling this promise, David Allen Rigsby's epic tale carries the reader on a mythical tour through time and space, where the inter-relation of religious tales and historical events is revealed. The classic struggle between God and Satan proves to be true! Gabriel told the prophet Daniel that the understanding of end-time prophecy was to be sealed until the end days. Are they here? Revelations Omega chillingly predicted the terrorist attack on the World Trade Towers and Washington DC. So what is next? Readers perplexed by the events of today's world can look to Revelations, Alpha and Omega for understanding, solace, and hope. "Original, enlightening, and provocative... a captivating tale! Rigsby's interpretation casts a light on human affairs which is both timeless and timely." Henry Berry, Editor/Publisher, The Small Press Book Review

"Original, enlightening, provocative... a captivating tale! Rigsby's interpretation is both timeless and timely." -- Henry Berry, Editor/Publisher, The Small Press Book I was so captivated by the story that I could not put it down. It made the Bible come alive! -- Paulette Richardson

Rigsby kept my interest and attention throughout. His writing style is clear, clever, and creative. He has an inimitable imagination. -- Writer's Showcase Manuscript Acceptance , iUniverse

About the Author David Allen Rigsby has worked primarily in the film and television field, with recent credits including October Sky for Universal Pictures and the CBS TV series Christy. Revelations, Alpha and Omega is the culmination of his lifelong study of the Bible and world history and how they actually go together.
