MEXICAN WRESTLERS! NICOLAS CAGE! BURT REYNOLDS! KILLER SANTAS! VAMPIRES! CHARLES BRONSON! Are you a fan of wild, weird, and wonderful movies? Well, this book is for you! Author Mitch Lovell is

back once again to take you on a guided tour of Hollywoods highest highs and lowest lows. Here is a journal of one mans plunge into the eclectic world of cinema, covering every genre from Buddy Cop action flicks (like Lethal Weapon) to Found Footage horror films (like The Devils Due) to movies based on comic books (like Teenage Mutant Ninja Turtles). From the films of Hollywood maverick Roger Corman to the work of Spanish schlockmeister Jess Franco; Mitch profiles some of the worlds greatest low budget directors. From crappy kiddie films to silly sci-fi movies; Mitch tackles it all, leaving no cinematic stone unturned. If you love movies as much as he does, youre sure to enjoy this book. Get YOUR Revenge now!
