BrooksIn researching my book, I tried to get a understanding of the early motion picture industry and this book was an excellent choice.....It is very well written and has the history of the business very well done....I would recommend it to anyone interested in the motion picture subject.....Betty Lasky has done an excellent job of writing....3 of 4 people found the following review helpful. RKOBy Russell49I really purchased this book because I was ignorant of this movie studio. I thought there would be more visuals in the book, however the written history was very interesting.9 of 10 people found the following review helpful. Amazing historical work of film and literature !By Leo VerswijverVery impressive in-depth study of RKO's rich history, written by a very knowledgable writer who knows the industry inside out and who gives us very accurate information about RKO. A must for everybody who likes movies!
