Glenn Kenny : Robert De Niro: Anatomy of an Actor (Cahiers du Cinema) before purchasing it in order to gage whether or not it would be worth my time, and all praised Robert De Niro: Anatomy of an Actor (Cahiers du Cinema):

"The finest book on De Niro yet." The Film StageBest known for gangster films, Robert De Niro (b.1943) has led a rich and varied career that encompasses crime movies, musicals, comedies, period pieces and action flicks. His breakout role in Martin Scorsese's Mean Streets (1973) sparked a decades-long collaboration with the director that included Taxi Driver in 1976 and The King of Comedy in 1983. Oscar winner for Best Actor in Raging Bull (1980), he was awarded the prestigious role of jury president at Cannes in 2011.Anatomy of an Actor titles are comprehensive studies on the craft of the worlds greatest actors, through the analysis of ten of their most iconic roles. The authors

examine why and how these famous actors have become some of the most respected and influential in the film world. Each title is divided into ten chapters, each one dedicated to a specific role, and is fully documented with film stills, set photographs, and film sequences. This innovative and beautiful series on actors is accessible to enthusiastic moviegoers as well as serious cinephiles, fans and those who want to become actors.
