I don't write screenplays, I write fiction but this book brings value to every writer. Definitely keeper shelf material. 4 of 4 people found the following review helpful. Easy to read. "A dazzling expansion on Blake's original insights, this essential screenwriting tool is practical and profound." --Mark Hentemann, Writer/Executive Producer, *Family Guy* "Save the Cat! Strikes Back is Blake's best yet. It expands on his principles of storytelling in a breezy, colloquial style and gives us a deeper personal insight to the relentlessly positive mindset that powered his great success and his generous spirit. Blake's life was far, far too short, but his work and his inspiring legacy will remain timeless." --Rick Drew, *movieScope Magazine* "Written in his signature witty, conversational style, Blake Snyder has given us another gem. As relevant to the novelist as it is to the screenwriter, this is a book no writer should be without. I've read all of Blake's books, and never begin a story without his insanely useful Beat Sheet by my side, but this time, Snyder goes one step further, sharing his own personal transformation from struggling writer to one who's seen great success. From the most generous and genuine writer/teacher of our time, this book will inspire the reader to scale all of those seemingly insurmountable brick walls and keep going to choose getting better over getting bitter. This book is a must read!" --Alyson Noel, #1 New York Times Bestselling Author, *Evermore*, *Blue Moon*, *Shadowland*, *Dark Flame* About the Author In his 20-year career as a screenwriter and producer, Blake Snyder sold dozens of scripts, including co-writing *Blank Check*, which became a hit for Disney, and *Nuclear Family* for Steven Spielberg. His book, *"Save the Cat! The Last Book on Screenwriting You'll Ever Need,"* was published in May 2005, and is now in its 23rd printing. The sequel, *"Save the Cat!
