Illustrated by John C. Eng, Tom Baker : Scary Urban Legends before purchasing it in order to gage whether or not it would be worth my time, and all praised Scary Urban Legends:

Do you know what an "urban legend" is? They are those stories that make the rounds at high school hangouts and college dorms, camping trips and late night sleepovers, offices and water coolers as frightening tales too good to be true, and too scary to be fiction. These stories include the short and shivery legend, "The Vanishing Hitchhiker;" the

macabre comedy, ""The Hook;"" and the scream-till-you-drop terror tale, ""Bloody Mary."" Experience the horror of lurking killers, lonely ghosts, and attacks from insects that seem to come from the pit of some forgotten nightmare. And who knows? It all might be true!

About the Author Tom Baker is the author of several books about ghosts and numerous other novels and short stories. John Eng is an artist/photographer who has worked in the film and animation industry for over 30 years.
