Alain Resnais : Scenario by Jorge Semprun for the film by Alain Resnais (Applause Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised Scenario by Jorge Semprun for the film by Alain Resnais (Applause Books):

The script to the 1966 film by Alain Resnais profiling the effect of the Spanish Civil War on the lives of a group of anti-Franco exiles living in France, and still actively working for the overthrow of the dictatorship. Called an incomparable thriller by some critics, it is also a beautiful love story and a moving document of our time. This volume presents the complete scenario by Jorge Semprun and 114 frame-enlargements from the film itself, carefully keyed to the text.
