Elaine Scarratt : Science Fiction Film: Classroom Resources (Teacher's Guides and Classroom Resources)

before purchasing it in order to gage whether or not it would be worth my time, and all praised Science Fiction Film: Classroom Resources (Teacher's Guides and Classroom Resources):

The Science Fiction Film: Classroom Resources pack contains over 100 pages including a combination of original material and press extracts and publicity material that support the teaching of the science fiction genre. The pack includes: resource sheets covering the key concepts of Media Studies; an extensive Rationale offering advice on how to use the use material and suggested outcomes; guidelines for practical tasks including storyboarding, designing a film poster and developing a marketing strategy; detailed glossaries covering science fiction film and technical film language.

About the AuthorElaine Scarratt is a media advisor, experienced Media Studies teacher and BFI Associate Tutor who works in South-East London schools.
