John Denver, Christopher Canyon : Sunshine on My Shoulders (with Audio CD and Musical Score) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sunshine on My Shoulders (with Audio CD and Musical Score):

This exuberant adaptation of the famous song by John Denver is sure to make you smile, even on a dark and cuddly evening with your child. It helps if you can sing--the musical score is included--or just pop in the CD that comes with the hardback edition of the book. Sunshine On My Shoulders celebrates friendship, sunshine and the simple joy of being together. A charming little girl and her father (who looks a bit like John Denver) enjoy a day together in the sun with a guitar, butterflies, a cat, a mouse, and lots of other critters. The illustrations abound with light, color and lots of humorous detail. This is the first of the John Denver Kids series.
