Italian!!!By CustomerMy opera workshop is performing the English version of this, and I didn't know this was an Italian score until it came in the mail. I wrote in all of the English (that was excruciating), but other than that, I love the binding and everything.1 of 1 people found the following review helpful. Exactly what I neededBy CustomerI am singing a small part in Suor Angelica and wanted a vocal score with only the Italian. This is perfect, a nicely bound score with very clear markings and a good, easily readable size. Very reasonable price and arrived quicker than promised.

One of Puccini's saddest, most beautiful scores, Suor Angelica was written as the middle installment in Il Trittico, but stands well on its own as a one act. Pianists and singers alike will delight in the sturdy spiral binding of this vocal score, which allows the book to lie flat open to any page. - 105 pages - Italian language only - Reprinted from Ricordi edition
