Ryan Tran : Super Mario Maker: The Ultimate One Screen Puzzle Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Super Mario Maker: The Ultimate One Screen Puzzle Guide:

1 of 1 people found the following review helpful. Fun and well written but a better general reference for ...By Pen NameFun and well written but a better general reference for Super Mario Maker than puzzle making guide. Pages 11-92 cover every item, style, control, etc. in the game. Descriptions are great and me and my boys definitely learned a few things we didn't know even after dozens of hours and hundreds of levels created. But all the same, only pages 93-

126 cover puzzle specific stuff. So the ratio is about 1/3 puzzle stuff and 2/3rds general reference, which is why I say it's a better general guide than puzzle making guide. 1 of 1 people found the following review helpful. Awesome and informative
By Richthe book is very helpful for my son to create and play the game, I would recommend this book to all kids that like to play the game on the Wii U

Ever wanted to create one-screen puzzles in Super Mario Maker, but didn't know where to start or what to do? Those days are over.
