Lantern Books : Super Mario Maker - Tips, Tricks, and Secrets before purchasing it in order to gage whether or not it would be worth my time, and all praised Super Mario Maker - Tips, Tricks, and Secrets:

12 of 12 people found the following review helpful. Scam. Ten dollar pamphlet. Not a guide.By Joseph CorbettThis is my first one star review.This item is exactly 15 pages for roughly \$10. Somebody made this preying on folks who don't know any better. There are no tips here. You will get more info in the booklet that comes with the game.This product is NOT a licensed Nintendo product. Please do not buy. Do not support these scammers.6 of 6 people found

the following review helpful. No goodBy ZinniaThis book is a joke. One star is to much for it. It doesn't explain anything and the pics are in black white. It should cost less...way less.Don't waste your time buying it.4 of 4 people found the following review helpful. Poor quality. All of the illustrations are in black ...By Toni RyanPoor quality. All of the illustrations are in black and white. Also I think it should have had more information.
