Djape : Super Samurai: 65 overlapping puzzles, 13 grids in 1! (Super Samurai Sudoku) (Volume 2) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Super Samurai: 65 overlapping puzzles, 13 grids in 1! (Super Samurai Sudoku) (Volume 2):

1 of 1 people found the following review helpful. Great fun, high quality paperback By Kathy I love these Super Samurai puzzles. I bought this to keep me occupied during a long road trip (when I was a passenger!), and each puzzle took several hours (although I wasn't trying to win a competition). The book arrived in perfect shape. I enter each puzzle into my custom Excel template so I can print it out. I prefer to work in ink. If I make a mistake, instead of trying to figure out how far I would need to erase my entries, I prefer to print out the puzzle again. Plus, since you never learn any new numbers between 0 and 9, I can recycle the puzzles once I complete the book. These are perfect for accompanying me to doctor's appointments and the like - anywhere I might need to wait. 1 of 1 people found the

following review helpful. Great ChallengeBy KTAWESOME product. I bought two books from the same person around the beginning of August. I am about 1/4 of the way through the books. Great intellectual challenge and I am already looking for the next one to purchase.1 of 1 people found the following review helpful. Five StarsBy CustomerGreat. Having good time with it. Will buy more.

This is volume 2 of the Super Samurai series! Some people consider Sudoku Samurai puzzles too big; some other people prefer even bigger Sudoku variant puzzles. If you belong to the second category, this book is for you! Its full of overlapping 13 grid Sudoku puzzles (Gattai-13) laid out in a quadruple Samurai Sudoku format. Essentially, there are 13 Sudoku sub-puzzles which overlap the same way as in Samurai Sudoku. So it is like having 4 Samurai Sudokus on top of each other! This books comes from Djape who has been supplying Sudoku Samurai puzzles for The Washington Post since 2005. Are you up for this challenge?
