3 of 3 people found the following review helpful. Five StarsBy RoxanneI love, love, love mazes. These are especially fun because they aren't easy.0 of 0 people found the following review helpful. AwesomeBy CustomerMy 6 year loves mazes and this book is perfect for her. The kids books are way to easy for her so these allow her to be challenged.1 of 1 people found the following review helpful. Consider the AgeBy Debra K HaysThis is a great book of mazes but is not for an older adult who has difficulty seeing.

Welcome to this fantastic collection of supreme maze puzzles, for adults! We have compiled our most challenging yet satisfying mazes for you to solve, all in one book! Inside, there are five maze variations with huge full page grids. Some require simple path-finding skills in order to reach the end goal, others will truly test your navigation abilities

and challenge even the most experienced puzzle solver. Mazes can be enjoyed by all ages, however for this title we have worked hard to provide the solver with the most intricate and mind-boggling paths which are sure to keep even the most experienced puzzler entertained for hours! How-to-solve instructions are included and solutions are featured towards the back if you need a helping hand along the way. This book is part of our huge puzzle book range.
