From Hal Leonard : Sweeney Todd Edition: Vocal Selections before purchasing it in order to gage whether or not it would be worth my time, and all praised Sweeney Todd Edition: Vocal Selections:

0 of 0 people found the following review helpful. Good arrangements, but a few glaring songs missing By MattA good, clean vocal score of selections from a great musical. I've looked at the score from the movie, with a much more cumbersome accompaniment (as a result of the movie's more orchestral, and less chamber-style, accompaniment) and retains the alterations made to the movie's melodies, in places such as The Contest. Therefore, I much prefer the arrangements from the Broadway selections book. My main complaint, and it is a huge complaint, is the lack of Sweeney's songs. I would like to meet the appropriately deranged fellow who would similarly bemoan the lack of Women and their Sensitivities and By The Sea instead of those horrid My Friends and Epiphany. Unfortunately, I have the opposite view, and I would love to have Sweeney's songs, and it seems that in order to obtain them, I must swallow

my pride and buy the selections from the movie.0 of 0 people found the following review helpful. Excellent.By JosephPerfect! The composition is excellent and will make a beautiful piece to add to any collection. However, know if you are a beginner in singing, this book will be a challenge.0 of 0 people found the following review helpful. Five StarsBy Kale ThompsonFantastic and just as expected

(Vocal Selections). Newly revised, with new music engravings, added songs, articles and photos. Includes The Ballad of Sweeney Todd * By the Sea * Green Finch and Linnet Bird * Johanna * Ladies in Their Sensitivities * A Little Priest * Not While I'm Around * Pretty Women * Wait * The Worst Pies in London.
