**John Victor : Symphonic Band Technique (S.B.T.): Clarinet** before purchasing it in order to gage whether or not it would be worth my time, and all praised Symphonic Band Technique (S.B.T.): Clarinet:

(Southern Music). Compiled from the celebrated Victor Method and useful for both full ensembles and individual study, the 167 exercises in this book cover virtually every aspect of technical study for bands and wind ensembles, from the basics of intonation and tone quality to increased fluency. Exercises include rehearsal letters every 2-4 measures to save rehearsal time and allow for easy practice "loops." (Includes additional material by Tom C. Rhodes

and Donald Bierschenk)
