Sauvage Impressive collection of excerpts from beloved classics transcribed in arrangements of great fidelity to the originals, and a pleasure to play (moderate difficulty): Excerpts from concertos by Chopin, Beethoven, Brahms's, Mendelssohn, Schumann, Tchaikovsky; Symphony excerpts from Beethoven, Brahms, Franck, Haydn, Mozart,

Schubert, Tchaikovsky. Bach "Siciliano" from Flute Sonata in E-flat Major; Borodin's "Nocturne" from String Quartet No. 2. And, on and on. Amazing collection and playability. I wish I'd found this book when I was a piano student (intermediate level) though, of course, it's great to find it at any time in one's life. 0 of 0 people found the following review helpful. Really good to have around. By Stella Fitzgibbons. Bride wants classical music but is totally clueless about music, and your classical piano music is either not audience-friendly or sounds more appropriate for a funeral? Try some of these. Brahms's version of the St. Anthony Chorale (theme by Haydn) will sound festive. And everybody will recognize the "Going Home" theme from the New World Symphony. Best of all, you don't have to be all OCD about playing them exactly as written. 1 of 1 people found the following review helpful. perfect for weddings and dinner music. By Arena Connery. This is a great book for anyone playing piano for a wedding or wanting some good background dinner music. Includes the themes from the first movement of Beethoven's 5th Symphony and Schumann's Piano Concerto in A Minor.

(Piano Solo Songbook). 42 select masterpieces from standard orchestral repertoire artfully transcribed for piano solo. Includes: Canon (Pachelbel), Funeral March of a Marionette (Gounod), Air on the G String (Bach), Romance from Eine kleine Nachtmusik (Mozart), First Movement Theme from Symphony No. 5 (Beethoven), Trumpet Voluntary in D Major (Clarke), First Movement Excerpt from Piano Concerto in A Minor (Schumann), Love Theme from Romeo and Juliet (Tchaikovsky) and 34 others.
