**George Whitefield Chadwick : Symphonic Sketches** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Symphonic Sketches:

Title: Symphonic Sketches Composer: George Whitefield Chadwick Original Publisher: Schirmer The complete orchestral score to Chadwick's Symphonic Sketches, as originally published in the first edition by Schirmer in 1907. Performers Reprints are produced in conjunction with the International Music Score Library Project. These are out of print or historical editions, which we clean, straighten, touch up, and digitally reprint. Due to the age of original documents, you may find occasional blemishes, damage, or skewing of print. While we do extensive cleaning and editing to improve the image quality, some items are not able to be repaired. A portion of each book sold is donated to

small performing arts organizations to create jobs for performers and to encourage audience growth.
