**Claude T Smith : Symphonic Warm-Ups for Band, B-Flat Trumpet 2: A Contemporary Approach to the Development of Tone, Technique and Style** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Symphonic Warm-Ups for Band, B-Flat Trumpet 2: A Contemporary Approach to the Development of Tone, Technique and Style:

Claude Smith's contemporary approach to teaching technique, tone and style is written in a variety of keys and meters

and is divided into three sections: I. Scale Studies II. Etudes III. Chorale Studies. The etudes and chorales are in progressive order of difficulty so bands of all levels can find appropriate starting places and progress from there. It's the perfect way to begin every rehearsal.
