Philip H. Goepf : Symphonies and Their Meaning (Classic Reprint) before purchasing it in order to gage whether or not it would be worth my time, and all praised Symphonies and Their Meaning (Classic Reprint):

Excerpt from Symphonies and Their MeaningThe plan Of this book is very simple It is really the reverse of the traditional. Little is here told of the lives Of the masters; of a composer's ancestry, Of the painful scale of his career,

even of the date of his works. Concrete events have, in themselves, no place. And yet, it is believed, instead of a loss, there is in this very omission a great gain of personal interest, Of insight into the essence of a master's individual quality, of his poetic character. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
