From G. Schirmer : Symphonies for Solo Piano: Piano Solo (Schirmer's Library of Musical Classics) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Symphonies for Solo Piano: Piano Solo (Schirmer's Library of Musical Classics):

(Piano Solo). These 4 Symphonies are the only symphonies Brahms ever composed. Formerly published as separate volumes but have been out of print for many years. These works are considered standard repertoire, and have earned a

place in our catalog.
