This is a fantastic score. Tchaikovsky fans or music fans in general should enjoy this rich and THICK score of the most vibrant symphonies. Have the score, a great recording, a glass of Vodka ready and Tchaikovsky will do the rest!0 of 0 people found the following review helpful. Dover rules!By CustomerAwesome book! Didn't know the Third, but once I cracked this open, I was astounded! It's worth the price just for this symphony alone. And the other two DO NOT suck!!! As expected, the usual Dover craftsmanship applies. Nice layout, easy to keep open on a stand or desk.Highly recommended for anyone wanting to

study the orchestration and symphonic structure of a master composer.

In the course of his musical career, Tchaikovsky attained a thorough mastery of orchestration as he strove to intensify the expressiveness of his musical language. This volume, combining authoritative full-score editions of his first three symphonies popularly known as "Winter Daydreams," the "Little Russian," and the "Polish" affords composers, musicians, and music students a unique opportunity to study his development. All three symphonies two of which incorporate Russian folk tunes were successful on their first performances. Symphony No. 2 remains especially popular, but all are increasingly heard in concert and on recordings.
