Wolfgang Amadeus Mozart, Music Scores : Symphonies Nos. 1-21 in Full Score (Dover Music Scores) before purchasing it in order to gage whether or not it would be worth my time, and all praised Symphonies Nos. 1-21 in Full Score (Dover Music Scores):

He listens to the Mozart symphonies on his computer and follows the score as he listens. He has already composed a quartet and an orchestral piece and by following the music in the score, it provides him with valuable insights about how to compose other orchestral pieces. There is nothing like studying the composition of old masters to instruct one in contemporary composition. My grandson was thrilled with the score and

it has given him immense pleasure. Both he and I would highly recommend this score. 1 of 3 people found the following review helpful. DoversBy ChoirLadyGotta love them! They're nicely priced, have good bindings..a real value for the dollar. I wish the prices were the same in Canada and the US....1 of 4 people found the following review helpful. It does the trick!By Song GameIt's a score that does what it suppose to do. All the notes are there.

These 21 symphonies, composed by Mozart between 1764 and 1771 while he was still a boy, are astonishing displays of his precocious genius. Reproduced from the authoritative Breitkopf and Hrtel Complete Works Edition, they abound in the qualities that characterize his finest works: melodic richness, musical invention, and a much-imitated but unsurpassed grace. A splendid way for musicians and music lovers alike to savor and study the composer's youthful development and growing mastery of symphonic form, this new and modestly priced volume completes Dover's three-part cycle of Mozart's symphonic compositions, which include Symphonies Nos. 2234 and Nos. 3541. All are among the most performed and recorded works in the orchestral repertoire.
