Wolfgang Amadeus Mozart, Music Scores : Symphonies Nos. 22-34 in Full Score (Dover Music Scores) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Symphonies Nos. 22-34 in Full Score (Dover Music Scores):

2 of 2 people found the following review helpful. Excellent By A Reviewer There isn't much to say about a score, except that Dover consistently does them perfectly. And Mozart's Symphonies Nos. 22 - 34 is no exception: the user-friendly format and legible music make for the highest quality score available today. If you want to see some of Mozart's greatest symphonies in their purest forms, do not delay in purchasing this one. You cannot go wrong with Dover. 1 of 1 people found the following review helpful. Wonderful Mozart Score By Hermes Camacho A very easy to read and comprehensive score to Mozart's middle symphonies. It's durable and the print is large (9x12). It lays flat for study or enjoyment. It's a must for both professionals, students, and listeners.

Mozart wrote the 13 symphonies reprinted in this volume in Salzburg and Paris from 1773 to 1780. A number of the earlier works are Italianate in inspiration, in three-movement form, with brisk figures and simple textures. Two of these Symphony No. 25 in G Minor (the "Little G Minor") and Symphony No. 29 in A Major display emerging powers that clearly mark the young composer's rise from musical prodigy to great composer. Mozart's visits to Munich, Mannheim, and Paris enriched his musical experience, and the later symphonies from these years reveal his growing command of international styles. At whatever moment these masterworks arose in Mozart's musical development, each bears the unmistakable stamp of his genius. Some are among the most performed and recorded works in the orchestral repertoire. All are reprinted here from the authoritative complete-works edition published by Breitkopf & Hrtel.

About the Author A child prodigy who blossomed into the Classical era's most influential composer, Wolfgang Amadeus Mozart (1756-1811) wrote more than 600 works in his brief life. His oeuvre encompasses a wide variety of genres, including symphonic, chamber, operatic, and choral music.
