From Eighth Note Publications : Symphony 1 (Movement 2): Score Parts (Eighth Note Publications) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Symphony 1 (Movement 2): Score Parts (Eighth Note Publications):

Mahler is regarded as one of the greatest composers of all time. There are very few arrangements of his brilliant music so this arrangement for double brass quintet of his first Symphony is quite significant. The melodic material flows all through the ensemble and each section is featured at some point. A piccolo trumpet is used part way through to add colour and expand the range of the ensemble. This is an exciting piece from beginning to end.
