FordThe Symphony in Three Movements is one of Stravinsky's finest orchestral scores. His use of the orchestra and musical ideas inside of a classical aesthetic combine

for a riveting piece. The score reveals the master at the height of his composition and orchestration talents and is well worth the study. If you're looking for the perfect complement to the techniques in the ballet scores or to figure out how to extend your own skills, *Symphony in Three Movements* is a good place to look.

A group of resourceful kids start "solution-seekers.com," a website where "cybervisitors" can get answers to questions that trouble them. But when one questioner asks the true meaning of Christmas, the kids seek to unravel the mystery by journeying back through the prophecies of the Old Testament. What they find is a series of "S" words that reveal a "spectacular story!" With creative characters, humorous dialogue and great music, *The "S" Files* is a children's Christmas musical your kids will love performing.
