**Felix Mendelssohn : Symphony No. 3 (Dover Miniature Scores)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Symphony No. 3 (Dover Miniature Scores):

Inspired by a visit to Scotland in 1829, this work is widely regarded as Mendelssohn's finest symphony. Its inspired melding of scenes of great dramatic intensity, cheerful dance-like elements based on Scottish folk music, and beautiful themes have made it a staple of the orchestral repertoire. Instrumentation.
