From SCHOTT MUSIK INTL MAINZ : SYMPHONY NO.6 (NOWAK ED.) A MAJOR (Edition Eulenburg No. 464) before purchasing it in order to gauge whether or not it would be worth my time, and all praised SYMPHONY NO.6 (NOWAK ED.) A MAJOR (Edition Eulenburg No. 464):

6 of 7 people found the following review helpful. Beware of shoddy laser printing By SBeckmesser My copy of this score was laser-printed, and poorly at that. For example, the beams between 8th notes (and shorter notes) are almost all blurred together making it difficult to tell the true note durations. Also it is often difficult to distinguish among the blobby sharp, flat and natural signs. This is a mini score exactly reproducing the latest Nowak Bruckner Edition study

score which is already reduced in size from that Edition's full/conductor score. So the printing quality in such a small format as the Eulenburg is crucial and here they have failed. Beware of this and other Eulenburg laser-printed scores.

(Schott). Preface * Orchestration * I. Majestoso * II. Adagio. Sehr feierlich * III. Scherzo/Trio. Nicht schnell * IV. Finale. Bewegt, doch nicht zu schnell
