Ludwig van Beethoven, Music Scores : Symphony No. 7 (Dover Miniature Music Scores) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Symphony No. 7 (Dover Miniature Music Scores):

Renowned for its celebrated slow movement, Beethoven's Symphony No. 7 is one of his most popular works. Written in 1812, when the 42-year-old composer was at the peak of his powers, it demonstrates the mastery of a mature artist in complete control of his craft. His command of symphonic form, thematic development, and orchestral texture is everywhere evident in this remarkable composition. Reprinted here from the authoritative Litolf edition, this work

appears in full score with bar-numbered movements for easy reference. Ideal for study in the classroom, at home, or in the concert hall, this affordable, high-quality, conveniently sized volume will be the edition of choice for music students and music lovers alike.
