**From Kalmus Classic Edition : Symphony No. 8 in E-flat Major (Kalmus Edition) (German and English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Symphony No. 8 in E-flat Major (Kalmus Edition) (German and English Edition):

This 211 page score provides the choir and soloist parts along with a piano reduction of the orchestral parts, with notations and instrument cues in German, and the vocal text in Latin. Written by Mahler in 1906, this work is sometimes referred to as the "Symphony of 1000" due to the size of the orchestra, vocal soloists, boys chorus, and double choir, along with antiphonal instruments and organ -- the number of musicians can easily reach 1000 or more. There are two lengthy movements, the first based on the hymn, "Veni, Creator Spiritus," and the second based on the closing scenes of "Faust."
