granddaughters were thrilled with this softcover version. I bought it for them along with a DVD of the opera, and we spent a happy evening immersed in the trials and tribulations of ETS Hoffman and his muse, thanks to Ruth Martin's delightful translation. 0 of 0 people found the following review helpful. Just what I need. Original french with singers english beneath
By devinvkemp We're doing this opera this spring in my graduate program. We're doing it in the original french. This score has the original french and a singable english translation underneath. I usually white-out the singers english, as it is not an accurate word-for-word translation. But the score does its job just fine. 0 of 0 people found the following review helpful. Five Stars
