**Doug Nufer : Tangram Fury Yooper Book (Tangram Fury Puzzle Book) (Volume 9)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Tangram Fury Yooper Book (Tangram Fury Puzzle Book) (Volume 9):

Tangrams are ancient Chinese, ingenious puzzles. They are deceptively simple in design, yet can stump even the most seasoned of puzzlers. Then, the light clicks on and the answer suddenly seems so obvious. It's amazing that so many puzzles can be solved with the exact same 7 shapes. Michigan's Upper Peninsula (or UP) is a pristine land of clean, clear water, endless dense forests, miles and miles of rivers and trails, and quirky people from the UP known as Yoopers who have a unique take on the English language and their manner of living life and treating strangers as welcomed friends. This book is dedicated to da Yoopers. There are snowmobilers, skiers, campers, animals and more. If you're lucky, you might even find a snipe from an infamous snipe hunt. Following a brief introduction to tangrams, the main portion of the book provides challenging or whimsical puzzles to solve. The book is arranged to show a silhouetted puzzle, followed by its solution. This is followed by tidbits and trivia about tangrams and some famous people who have tinkered with tangrams over the years. (Can you solve the unsolvable "Mad Hatter" tangram created by Lewis Carroll?) It also provides some tips and suggestions for those with a competitive streak. The text sections of the books in this series are essentially the same, but the heart of the book - the part that includes the tangram puzzles - remains unique. Most of the puzzles have been designed by the author, Doug Nufer. This book series was featured on the NewsWatch TV program on Discovery Channel: <http://newswatchtv.com/2015/12/18/tangram-fury> Go on! What are you waiting for? Give it a try! You just might get hooked...
