**From Brand: U.S. Games Systems : Tarot Affirmations Cards: For Positive Growth and Change** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Tarot Affirmations Cards: For Positive Growth and Change:

1 of 1 people found the following review helpful. Cards really really pretty By Feline Lover Deck delivered on time. The deck is exactly as the seller described. They do look like, in "new condition." I am really happy to add this deck to my collection. The affirmations are beautiful and are written with each card's meaning, in mind, which really will help in learning the cards meaning and expanding on these meanings. A great study tool and meditation tool. The deck comes in a very sturdy, thick box. The only negative about this deck would be the size. However, I knew the size of these cards; this is minor to me. 1 of 1 people found the following review helpful. 5 Star Deck. By Turbinado The Affirmations are clear and printed directly on the cards. They relate to the RW traditional meanings very well. Buy it...very nicely crafted Tarot. 1 of 1 people found the following review helpful. Inspirational and healing By Customer I love this product and I know I'll be using it a lot. The perfect addition to a tarot reading.

Tarot Affirmations Deck blends two traditions to create a powerful tool for personal transformations. Well-known images depicting the universal themes of tarot are combined with beautifully written affirmations.
