Taylor Swift : Taylor Swift - Easy Piano Play-Along Volume 19 (Bk/Online Audio) before purchasing it in order to gage whether or not it would be worth my time, and all praised Taylor Swift - Easy Piano Play-Along Volume 19 (Bk/Online Audio):

6 of 6 people found the following review helpful. Great!By thuy buI bought this for my nieces and they all fight over this. They all are young and still learning to play the piano and they are huge fans of Taylor Swift. The notes are easier to read and they are excited to learn her songs.2 of 2 people found the following review helpful. Fun BookBy CheIf you're a Taylor Swift fan this is a great piano book to learn some of her songs with. I would say if you've been playing for 2-3 years this book would be good, any earlier and it would be difficult. My tween girl loves playing from this, and so do I!0 of 0 people found the following review helpful. Great Book for PianoBy J. S. NellI bought this for my ten-year-old daughter. She takes piano lessons (level two of the Piano Adventures by Faber) and she doesn't particularly

enjoy piano practice, but this book has made her lessons a lot more fun. She is working on the song "Mean." It is a good challenge for her but not so hard that she wants to give up. The only reason I have not given it five stars is that the songbook does not work as well for voice lessons. The lyrics for verse two of "You Belong With Me" are appended as additional lyrics, but Taylor Swift sings different notes from the first to the second verse, so a separate piano part is needed, but not provided, for each verse. Overall a good piano book but if you want to use it for singing you might have some trouble. She has been enjoying her piano lessons a lot more.

(Easy Piano Play-Along). Each volume in the Easy Piano Play-Along series comes with audio tracks of orchestrated arrangements, and includes matching custom arrangements in easy piano format. This edition features 10 songs from the chart-topping songstress: Back to December * Blank Space * I Knew You Were Trouble * Love Story * Mean * Our Song * Shake It Off * We Are Never Ever Getting Back Together * White Horse * You Belong with Me.*
