The themes of the music are obviously beautiful. But the piano music, particularly the left hand, is often repetitive and boring. I would certainly recommend passing on this

volume. It has an alluring title, but does not rise anywhere near expectations. It is not worth the money.0 of 1 people found the following review helpful. Five StarsBy Lesa KLove it!

(World's Greatest Classical Music). The latest edition in our highly regarded series The World's Great Classical Music , this songbook features 47 faithful intermediate to advanced piano solo transcriptions of works by Tchaikovsky, often regarded as the greatest Russian composer. Includes selections from symphonies, concertos, operas, ballets and piano works, as well as a thorough biography of the composer.
