From Hal Leonard : Tchaikovsky - Simplified Piano Solos: 64 Selections from Symphonies, Concertos, Operas, Ballets and Piano Works (World's Greatest Classical Music) before purchasing it in order to gage whether or not it would be worth my time, and all praised Tchaikovsky - Simplified Piano Solos: 64 Selections from Symphonies, Concertos, Operas, Ballets and Piano Works (World's Greatest Classical Music):

6 of 7 people found the following review helpful. Great book but has a few problems. By BelleAuBois This is a great easy to intermediate Tchaikovsky book. It is so big. But the pages are not white making them a little harder to read.

And the book is so thick which makes it difficult to open up the pages so they'll stay put on the stand. But there is plenty of variety and you almost get your fill of playing Tchaikovsky. Too bad there isn't one like this in Rachmaninov!

(World's Greatest Classical Music). This collection includes 64 original works by Tchaikovsky at the easy to intermediate level, in a newly engraved, clean edition featuring beautiful eye-catching cover art. It contains selections from symphonies, concertos, operas, ballets and piano works, including: 1812 Overture * Eugene Onegin * The Nutcracker * Romeo and Juliet * Sleeping Beauty * Swan Lake * and more. Also includes a thorough biography of the composer.
