Ron Klinger : Teach Your Child Bridge before purchasing it in order to gauge whether or not it would be worth my time, and all praised Teach Your Child Bridge:

There is every reason to start children on bridge at an early age. In addition to the obvious benefits to arithmetic and

logical reasoning, bridge develops memory, judgement, concentration, planning ability and cooperation. It is a social asset for life, and boosts mental alertness later in life. Not only is it fun to play, but bridge also allows one to make new friends easily and overcomes all kinds of social barriers and physical handicaps. Bridge can be played anywhere and anytime. You will be doing your child a lifelong favour by opening the door to the world of bridge.

About the Author Ron Klinger is a leading international bridge teacher and has represented Australia in over 20 world championships since 1976. An Australian Grand Master and a World Bridge Federation International Master, he has written over 60 books, some of which have been translated into Bulgarian, Chinese, Danish, French, Hebrew and Icelandic. Two of his titles - Guide to Better Card Play and Right Through the Pack Again - won Book of the Year awards. He has created many new bridge ideas and devised a number of conventions. He lives in NSW, Australia, and has written a daily bridge column in The Sydney Morning Herald and The Sun-Herald for over 15 years.
