Make the secrets of magic performance your own! Celebrity Street magicians like David Blaine have popularized the age-old art of illusionism. Written by a member of The Magic Circle, Teach Yourself Magic covers the tricks and

skills you need to learn as a budding magician and offers information you can use as you gain experience to turn your hobby into a part-time moneymaker. You'll learn all there is to know about creating illusions with everyday objects and performing tricks they would have never thought possible.
